Arizona Strip Announces Public Scoping Meetings

The Arizona Strip announces a series of open house meetings that mark the beginning of a planning effort for lands administered by the Bureau of Land Management (BLM) and the National Park Service (NPS) for the following three geographic areas:

- Grand Canyon-Parashant National Monument (BLM and NPS)
- Vermilion Cliffs National Monument (BLM)
- BLM public lands between the two monuments

The meetings are being held to gather information from the public on the future management of these areas. This is the first step in the planning process that will result in a new management plan for each of the monuments, and a revised management plan for the remaining Arizona Strip lands. The open house meeting format allows interested individuals to attend anytime between the hours of 4 and 7 p.m. (local time) for the following dates and locations:

May 28 (Tuesday), 2002 Beaver Dam Elementary School, 3436 East Rio Virgin Road, **Beaver Dam, Arizona**
