Subject: Cooperating Agency meeting minutes, June 10, 2004 and Exe. Summary

Here are the meeting minutes from the last Cooperating and Federal agency meeting on June 10, 2004. **The next meeting will be on August 5, 2004** at 10 am in the Riverside Drive Conference room.

2004 June 10 Cooperating Agency Meeting minute

We had our briefing with the BLM Arizona State Office staff last week and it went pretty well. They recommended some changes to the Alternative Tables in Chapter 2. Most of the changes will be in the Vegetation section and in the Special Status Species section. Some changes will also occur in the Recreation section and the Livestock Grazing section. As soon as we complete those changes, we'll get you a copy of the new and improved Chapter 2 Alternative Tables.

We also had the NPS Regional Director briefing on the Preferred Alternative this week and it went very well.

I'm attaching a copy of the Draft Executive Summary, recently completed, for your information. This will go at the beginning of the document. There are some summary tables in this Executive Summary that may help to clarify some of the decisions.

As always, please let us know if there are any inaccuracies, omissions, or ways to make the documents better. We appreciate all your help.

Next on our schedule will be the BLM State Director briefing on the Preferred Alternative on July 1 in

Phoenix.

Thanks again for all your help.
