Riley,

So we want to keep the hike with just BLM staff. We want to make sure that we give them the opportunity to speak and meet with the Secretary since he is visiting their location.

We will not extend the invitation to LaMalfa to join the Timber and County Commissioner meeting on Sunday.

Also, as for lunch, Caroline knows what information we would need from your end if your office was to provide lunch during the tour on Saturday.

As for a rendezvous point our BLM folks said that the Lilly Glen County Campground, would be a good spot near the end of our hike. If you guys have an idea for a better location let us know.

best,  
 Aaron

Hey Riley,

We would need at this point just the cost per person of the lunch should you all provide it and then a cursory vetting of the lunch with ethics. I'm meeting with them tomorrow so I'll see if they see any issues with it!

Update on lunch: we are good to accept lunch as paid for by the official office, provided that it is under \$20/person. Just let us know what the ultimate cost per person was so it can be properly documented!

Thanks,  
Caroline

Laura I'm not sure what you want to tell the wsj reporter to do for lunch, but I don't think it's necessary for Walden's office to provide anything for him.
