Our folks could not get the mail/merge list to come up when they searched, so printed out scanned copies of the letters. As a result, its possible that this list is not complete, as apparently the scanner at times inputs sheets of paper faster than it can scan them.

Representatives – in no particular order

Raul Ruiz, Bruce Poliquin, Tulsi Gabbard, John Garamendi, Paul Gosar, Raul Grijalva, Rubin Kihuen, Doug LaMalfa, Colleen Hanabusa, Ben Lujan, Kevin McCarthy, Dan Newhouse, Tom O'Halleran, Steve Pearce, Paul Cook, Judy Chu, Jason Chaffetz, Salud Carbajal, Mike Simpson, Chris Stewart, Mike Thompson, Scott Tipton, Greg Walden, Madeleine Bordallo, Aumua Radewagon, Gregorio Kilili Sablan

And the Senators from these States – for marine monument purposes includes Senators from California, Oregon, Washington and Hawaii. Maine's Senators were included, but did not comment on NE Seamounts, and the Massachusetts Senators were apparently not contacted.

Hope to have the BIA contact by our call.
