Hi Carrie,

As part of the effort to respond to the Executive Order on the Review of Designations under the Antiquities Act, the DOI review team would like hard copies of all letters addressed to the BLM that support or oppose National Monuments, from Jan. 20, 2017 through May 26, 2017.

Is there an efficient way to search for these?

I know most of the letters we've seen in our WO410 DTS inbox are addressed to the Secretary but I also know that a few have been addressed to the BLM and there may be letters that have gone to the BLM State Office DTS inboxes.

Thanks for any advice you have on this.

Sally
