Hi,

Julie Spano or Monica Cunningham has the funding code. I'm copying them in on the email so they can provide that to you.

All,  
FWS have confirmed that they can modify their contract for  
DiscoverText to include the additional labor components indicated on  
Marcia's market research quote.

Jennifer, Randal: in order to proceed, FWS will need a funding  
code... you'll find the FWS team CCed on this email.

Marcia and survey response team: I think it is wise to review the  
modification in order to ensure that the licensing and services you  
require are fully included before you execute (and so that you  
understand the cost)!

Thanks, all! I will follow up separately with our Information  
Assurance teams on next steps on that front.
