Hello! I'm a reporter with The Huffington Post and wanted to confirm whether reports that Donald Trump will sign an executive order reviewing national monument designations are accurate:

https://www.washingtonpost.com/news/energy-environment/wp/2017/04/24/trump-to-issue-new-order-calling-into-question-two-decades-of-national-monument-designations/?tid=ss_tw&utm_term=.83f2e579b56c

Can you confirm whether Trump plans to sign this? And if so, what will the possible implications for these monuments be?

Thank you!
