You could put the link in a document, make a pdf of the document and upload it to FDMS.
The link will work from a pdf.

Are either of you aware of DOI or FWS previously handling video-taped statements as part of a comment period?

If not, no need to follow up as I'll check with the computer people, but given that my knowledge has proven to be technologically obsolete, thought I'd ask you two before I display my ignorance to a larger audience.
