Please do not put this email address in the notice, I will see if I can get a different one to use just for this.

Good morning, Randy,

The Federal Register requires a name, telephone number, and e-mail address, but not an office. I will add your information to the draft Jack circulated.

Thanks.

Thanks and hope you feel better. Kerry, for the "For Further Information" section, do we need a name and phone number, or also an office reference?

If the former, I drew the short straw, and it is: For further information contact Randal Bowman, 202 208-1906

Randy,

I am (b) (6), but have access to email and have my laptop and will be checking email. Kerry should be able to help if you need it.
