Hi Randy,

We have completed our review of the initial responses provided in response to the April 26, 2017 Executive Order 13792 and initial data request for the Canyons of the Ancients National Monument. Please find attached an executive summary and data summary. These two summary documents along with the requested data and supporting sources of information have been uploaded to the respective Google Drive folder for the Canyons of the Ancients National Monument.

Per your request, I have also attached the responses to the new, additional information requested in a word document. ("Canyons\_New Information Request\_6\_2\_2017")
