The Acting Assistant Secretary who approved the funding initially is on vacation and out of the country. I am meeting with the person filling in, who I know well, at 2:30 and expect to have approval then or immediately afterwards. It will probably take until tomorrow to get a contract modification out. I will let you both know as soon as funding is approved.

Marcia,

Mark submitted his hours to date (5.3) and that puts us at the 100% of budget for project management.

Hi Marcia,

I wanted to alert you that we are roughly 75% of the way through the 20 hours budgeted for project management. I don't have Mark's hours yet, so that number is probably understating where we are. With Mark's time we could be close to out of budget.

How would you like to proceed?
