Hi Nikki,

I was wondering if you might be able to clarify, for each monument, the acreage included within the boundary. In particular, would it be possible to get information to break out, by entity, number of acres included in each monument:

- xxx acres of BLM land
- xxx acres of NPS land
- xxx acres of BOR land
- xxx acres of Forest Service land
- xxx acres of state land
- xxx acres of private land

As you know, some monuments have "expansion areas." It would be helpful to get separate breakouts for the original area and any expansion areas.

Thank you for helping with this.

Ben
