I thought the funding was arranged, but had to leave the Thursday meeting before it was concluded. Jennifer is out today but is checking email periodically, and I will see if I can reach her by phone.

All,

FWS have confirmed that they can modify their contract for DiscoverText to include the additional labor components indicated on Marcia's market research quote.

Jennifer, Randal: in order to proceed, FWS will need a funding code... you'll find the FWS team CCed on this email.

Marcia and survey response team: I think it is wise to review the modification in order to ensure that the licensing and services you require are fully included before you execute (and so that you understand the cost)!

Thanks, all! I will follow up separately with our Information Assurance teams on next steps on that front.
