

From: Bowman, Randal
To: [Richard Goeken](#)
Subject: maps and charts for New England Canyons and Seamounts
Date: Tuesday, August 22, 2017 10:51:46 AM
Attachments: [NE species charts.pdf](#)

The monument map and the two charts showing whales and dolphins do not prefer the monument are in the attachment here. The map showing the canyons up and down the Atlantic Coast was downloaded and sent to both of us by Kimberly Edwards of your staff this morning.
