All:

As discussed in the Assistant Secretaries meeting Monday, attached is a template to use for the data call on National Monuments. To refresh your memory, Jim is asking for a spreadsheet of all DOI managed National Monuments with general information about each. Please share with your bureaus/offices for response.

I believe this applies only to a subset of you, but am copying all the AS folks as an FYI to the others. As always, let me know if you have questions or comments. Thank you!
