Monument Review Additional Data Requests (1).xlsx

Hi Mara -

I wanted to add the electronic version of Excel spreadsheet I redid for the Monument Review Booklet you put together, but could not remember if it was a Share Folder Document or in Google Docs?

Anyhow I added it here if you want to upload or let me know and I can upload.

Happy Monday,

Timothy J Fisher, Program Lead

National Monuments and Conservation Areas  
National Conservation Lands

BLM NMA are the portion of the Action-Preferred NMA for the purposes for each year. The 2014 NMA are the 2014-15 for the National NMA and. Subsequent may use up to the 2014 Action NMA, but not over. These 2014 NMA are from year to year on the current

2) The Data Summary document states that "Individual Coal Leases were relatively small to the Land and Water Conservation Fund (LWCF) of natural value". Would it be accurate to say that BLM purchased the coal leases with LWCF funding?

The leases were relatively small to 10 million. Some LWCF funds were allocated to the Land and Water Conservation Fund (LWCF) of natural value". Would it be accurate to say that BLM purchased the coal leases with LWCF funding?

How have these documents been used to inform the development of the National NMA?

Validated for 2016 and the first half of 2017 (see administrative 27-002).  
 Request for comments go to the 2016 validation request.

Validation for 2015-2016 was on the order of 150,000 annually. Is there an expenditure for this validation? Could the 2016/2017 numbers be open to a audit then 240,000?

Thanks for helping with this.  
 AUSA Request

Hi Dan, We just got the 2016 number from the National Management Information System (NMIS) and it would be for Gold State since it was designated a Category of 2016 and annual validation numbers for Gold State itself would be available until the end of September. The AUSA Request.
