Environmental Protection Agency  
Water Quality Office Region X  
501 Pittcock Block  
Portland, Oregon 97205

Attention: Mr. James L. Agee, Regional Director

Gentlemen:

On June 1st of this year we shut down our mercury mining operation located at Red Devil, Alaska. We expect this closure to be temporary although no date has been set for re-opening.

Prior to commencing any renewed milling operations we will consult with your office.

Yours very sincerely,

Alaska Mines and Minerals, Inc.

Ray G. Wolfe, President
