**PUBLIC NOTICE**  
**Red Top Mill Site**  
**Cleanup Complete**

The Bureau of Land Management is announcing that the Alaska Department of Environmental Conservation has determined cleanup is complete at the Red Top Mill Site (Red Top Retort Site). The Red Top Retort Site is located within the former Red Top Mine Mill Site, a five-acre parcel on the north bank of Wood River, approximately 2 miles downriver from Aleknagik, Alaska. Legal description of the parcel is U.S. Survey 12403, Alaska. The land is now available for conveyance to Aleknagik Natives, Ltd (surface estate) and Bristol Bay Native Corporation (subsurface estate).

For more information or to review a copy of the final cleanup report, contact the BLM Anchorage Field Office at (800) 478-1263, or visit: [www.blm.gov/ak/redtopretort](http://www.blm.gov/ak/redtopretort).
