Source: Stephen R. Braund & Associates (SRB&A) conducted interviews with 21 Nuiqsut subsistence harvesters in June/July 2003. SRB&A coordinated with the Kuukpik Subsistence Oversight Panel that selected Nuiqsut subsistence users who were knowledgeable about harvest areas in the Colville River Delta, Fish and Judy creeks, and Kalikpik and Kogru rivers area. SRB&A conducted the interviews in conjunction with the Alpine Satellite Development Plan EIS.
