

Figures

List of Figures

Figure No.	Title
Section III	
III-01	Stratigraphic Column for NPR-A
III-02	Regional Schematic Cross-Section
III-03	Point Lay Annual Subsistence Cycle
III-04	Wainwright Annual Subsistence Cycle
III-05	Barrow Annual Subsistence Cycle
III-06	Atqasuk Annual Subsistence Cycle
III-07	Nuiqsut Annual Subsistence Cycle
III-08	Relative Contribution of the Beluga Whale to the Point Lay Subsistence Harvest
III-09	Point Lay Household Consumption of Subsistence Resources, 1998-1999
III-10	Point Lay Changes in Subsistence Activity, 1998-1999
III-11	Point Lay Expenditures on Subsistence Activities, 1998-1999
III-12	Wainwright Household Consumption of Subsistence Resources, 1998-1999
III-13	Wainwright Changes in Subsistence Activity, 1998-1999
III-14	Wainwright Expenditures on Subsistence Activities, 1998-1999
III-15	Annual Subsistence Harvest of Bowhead Whales by the North Slope Communities of Barrow, Nuiqsut and Kaktovik, 1973-1995
III-16	Barrow Household Consumption of Subsistence Foods, 1998-1999
III-17	Barrow Changes in Subsistence Activity, 1998-1999
III-18	Barrow Expenditures on Subsistence Activities, 1998-1999
III-19	Atqasuk Household Consumption of Subsistence Foods, 1998-1999
III-20	Atqasuk Changes in Subsistence Activity, 1998-1999
III-21	Atqasuk Expenditures on Subsistence Activities, 1998-1999
III-22	Nuiqsut Household Consumption of Subsistence Foods, 1998-1999
III-23	Nuiqsut Changes in Subsistence Activity, 1998-1999
III-24	Nuiqsut Expenditures on Subsistence Activities, 1998-1999
III-25	Representative Fish of the Arctic Environment

Section IV

IV-01	Layout of Alpine Field
IV-02	(Top) Gravel Pad construction Designs (Bottom) Directional Drilling from a Surface Location
IV-03	Processing Drilling Mud and Cuttings for Disposal
IV-04	Subsurface Injection of Mud and Cuttings
IV-05	Typical Pipeline Construction
IV-06	Relationship Among Resources, Standards, and Degree of Variability

Appendices

App-01	Cross Section, Deformed Belt Plays of Southern NPR-A
App-02	Cumulative Probability Plot for Conventionally Recoverable Oil and Gas in the Northwest and Northeast NPR-A Planning Areas
App-03	Size-Rank Plot for Undiscovered Oil and Gas Pools
App-04	Risked Mean, Economically Recoverable Oil Volumes Relative to Market Price
App-05	Risked Mean, Economically Recoverable Gas Volumes Relative to Market Price
