

## BUREAU OF LAND MANAGEMENT RECREATION FEE PROGRAM SUMMARY FY10 ACCOMPLISHMENTS

<b>NAME OF FEE PROJECT:</b> AZ02 HOT WELL DUNES RECREATION AREA		<b>STATE:</b> AZ
<b>Fee Project Contact:</b> Deborah Morris		<b>Phone:</b> 928-348-4417
<b>Email:</b> Deborah_Morris@blm.gov		

### DESCRIPTION:

Hot Well Dunes Recreation Area consists of an extensive sand dunes system, approximately 2000 acres, providing great adventures for off-highway vehicle enthusiasts. There are 13 developed campsites and opportunities for camping at numerous undeveloped sites throughout the area. The developed campsites include picnic tables, grills, garbage cans, and fire rings. The facilities include two hot tubs, three restrooms, information kiosks, a picnic area, a watchable wildlife area, a self-service pay station, and two parking areas. This fee project also includes revenues from the sale of the America the Beautiful Interagency Pass.

### FEE SCHEDULE:

- \$3.00/vehicle/day
- \$30.00/vehicle/year

### SPECIFIC ACCOMPLISHMENTS IN FY10:

#### Visitor Services, Interpretation:

A small stipend was paid to site hosts to offset some expenses. In addition, some of the fees were used to install amenities to upgrade and maintain the site host's campsite. The result of these expenditures through the years has been the ability of the BLM to recruit and retain quality site hosts. The hosts in FY10 were on site during the heavy use season, conducting day-to-day maintenance of the facilities including trash pickup and providing visitor information and assistance. They also provided a point-of-contact for emergency assistance for law enforcement and medical needs. As a result of utilizing site hosts there has been a decrease in vandalism and visitor conflicts and continue to see a shift in visitation to more family-oriented use.

#### Repair, Maintenance, and Facility Enhancement:

Fees were spent in FY10 to cover the annual operating costs of keeping the facility maintained and clean. This included replacement of one mile of boundary fence line, pumping the vault toilets, and maintaining the hot tubs and campsites. Fees funded a maintenance contract which included trash pickup and cleaning the restrooms.

**PROJECTS/ACTIVITIES PLANNED FOR FY11:**

- Replacement of another mile of boundary fence line.
- Pumping vault toilets.
- Maintaining campsites and hot tubs.
- Fund the maintenance contract trash pickup and cleaning the restrooms.
