DESCRIPTION:

The Ironwood Forest National Monument Special Recreation Permit program authorized use of public lands in connection with commercial recreational use. Permits were primarily for use of primitive roads and trails for commercial trail riding.

FEE SCHEDULE:

The SRP fee schedule for commercial activities is established nationally for all BLM field offices. Fee receipts derived from recreational commercial SRPs are routinely calculated using national fee schedule guidance found in BLM Recreation Permit Administration Manual H-2930-1, Section III.G., as established by 43 CFR 2930. As of March 2008, the SRP fee schedule is the following:

- Commercial permits are the maximum of \$95 or 3% of the gross revenue.

SPECIFIC ACCOMPLISHMENTS IN FY10:

In FY10, there were no Special Recreation Permits issued for the Ironwood Forest National Monument issued. A balance remains in the fee account from past years sales; however no funds from this account were spent in FY10.

PROJECTS/ACTIVITIES PLANNED FOR FY11:

In FY11, any pending permit renewals will be processed using Federal appropriations. If the need exists, fee revenues will be expended to produce visitor information for the permit use area, assist with signing and implementation of travel management plans for permitted activities.
