Subject: APS POWER LINES

Hello Mr. Joe Incardine,

My name is [REDACTED] and I live in the City of Peoria. I am emailing you and asking for your support to please request that the APS power lines be built north of the Vistancia community on the north side of State Route 74 which is also consistant with the City of Peoria Council position with this matter. Thank you for time with this subject and have a great day.

Sincerely,

[REDACTED]
