Subject: Proposed APS Sun Valley to Morgan Project

Mr. Joe Incardine National Project Manager, BLM Phoenix District Office
Mr. D. Remington Hawes, Field Manager

We were informed that APS and the Arizona Corporation Commission have agreed to move the proposed 500/230 kV transmission power lines out of the Vistancia community and onto public lands (Bureau of Land Management) north of State Route 74 (the Certificated Route). The Certificated Route was also supported by The City of Peoria, Maricopa County and the State Land Department

In order to preserve the safety and property value of our community we as a

Vistancia property owners support the Certificated Route (North of State Route 74) as the route to implement this project.

We would like to express our sincere gratitude for taking into consideration our points of views.

Regards,
