TO; BLM, WASHINGTON, D.C. , PHOENIX, UTAH ALL CONCERNED PARTIES
TO; THE ACC OF ARIZONA
TO; ARIZONA LAND DEPARTMENT
TO; CITY OF PEORIA-ALL ELECTED OFFICIALS, MAYOR CITY MANAGER AND ZONING DEPARTMENT
TO; PEORIA CITY ATTORNEY

Dear Joe, and the City of Peoria, ALL CONCERNED PARTIES

As we have been trying for months now to get information, details, financials, letters, documents all communications between the City of Peoria and the BLM-----and have received nothing----- Same goes for the ACC and the Az land Department

As these so called "CO-OPERATING AGENCIES "AS STATED BT THE BLM AND Mr. Incardine----- are not in any way co-operating with the public as required by law-both Federal and State and City----- --by providing the very specific information we have requested now going back months-some of which includes

land swaps--BLM and the City
the blm office in Tucson
land given to the blm in Tucson
land for money swaps,
special considerations by the city
City allowing illegal activities by the very people who the City is required to make sure and they are law

abiding and prosecuted when they break laws,
these being the land developers such as Sun Belt Holdings-----
no enforcement of the protections afforded endangered plant and animal species by Federal and State laws
payoffs
illegal deals and considerations possibly----no one will provide the information we seek
possible collusion
Quid Pro Que deals not disclosed
hiding information
Lying about information
Non -disclosure
BLM not doing proper investigative work with their so called co-operating agencies
The co-operating agencies not providing the extremely important details and information that they legally are required to do
The hiding of information and details and financials by all parties
Elected officials "" in bed "with multi million dollar corporations regarding the use of BLM land which is a carry over from earlier contact regarding issues that
go back to the year 2000 and before-----Where the public was specifically left out of the discussion and not informed
The public not being notified correctly by the BLM

Just to name a few---above

As all these co-operating agencies have co-operated with the BLM,

WE ARE SEEKING ALL COMMUNICATIONS BETWEEN THE PARTIES -THE CITY AND BLM-----
COPIES OF -----REGARDING THE ISSUES THAT BOTH THE CITY AND BLM HAVE BEEN ASKED FOR----DEMANDED-----AND ARE FULL AWARE OF FROM WRITTEN REQUESTS GOING BACK MONTHS-----IN THE CITY'S CASE --ALMOST 2 YEARS

ONCE THESE COPIES OF DOCUMENTS ARE MADE AVAILABLE ----AS REQUIRED BY LAW-----
WE WILL MAKE COMMENTS AND PROVIDE POSSIBLE ADDITIONAL INFORMATION THAT WILL CLEARLY SHOW THAT POSSIBLE LAWS HAVE BEEN BROKEN AND COLLUSION GOING BACK AS FAR AS THE YEAR 2000.
