

WEBINAR

Resources that May Warrant Regional Mitigation & Process to Nominate Candidate Site Locations

July 9, 2014

9:00-11:00 (Pacific)

Call-in Number: 1-888-850-4523; Passcode: 672617

URL: http://anl.adobeconnect.com/az_srms/

- OBJECTIVES:**
- 1) Inform stakeholders of revisions made to the impact tables as a result of their input during the April workshop;
 - 2) Introduce and get feedback on BLM's preliminary assessment of which unavoidable adverse impacts may warrant regional mitigation; and
 - 3) Introduce the process through which stakeholders may nominate candidate site locations for regional mitigation.

DRAFT AGENDA:

9:00 Introduction/Objectives

9:15 Review of revisions made to impact tables based on stakeholder input at April Workshop

9:45 Review of resources that may warrant regional mitigation

10:15 Introduce Candidate Site Matrix, BLM's process for scoring candidate sites, and information BLM will request from the stakeholders to support selection process for potential regional mitigation actions and locations

10:45 Q&A
