

**AZ Solar Regional Mitigation Strategy
November 12-13, 2014
National Training Center, Phoenix, Arizona
Workshop Evaluation Questionnaire**

The BLM would like feedback regarding the usefulness of the topics discussed and the format of this workshop, so subsequent workshops can be organized to produce the most valuable information.

How helpful was each session in terms of informing you about the Regional Mitigation Goals and Objectives for the AZ Strategy and Possible Candidate Sites for Regional Mitigation: 1 – Not useful; 2 – Okay; 3 – Very useful; N/A – Didn't attend/missed

Topic	Rating			N/A
	1	2	3	
Day 1:				
Mitigation Goals and Objectives for the Arizona SEZs				
Discussion Groups on mitigation goals and objectives				
Discussion Group Presentations				
Day 2:				
Introduction to candidate site criteria and presentations				
Candidate site recommendation presentations by The Nature Conservancy, Arizona Department of Game & Fish, Pima County, BLM Yuma Field Office, and Archeology Southwest				
Next steps				
Open Forum Discussion/Q&A Session to talk about candidate sites and ranking criteria				

1. Please provide details on the above session ratings if needed. If you think a session was not useful, please provide additional input to explain the reason(s) for your evaluation.

2. Did the information presented at this workshop provide you with a good understanding of the topics presented (Methods and tools for identifying: establishing regional mitigation objectives, identifying and prioritizing mitigation projects and locations)? If not, on what aspects do you need more information?

3. Please comment on the likelihood that you (or another representative from your organization) will participate in the final workshop to present and discuss the draft Arizona Solar Regional Mitigation Strategy.

4. Other Comments
