Greeting Ruben,

Please review my proposed cleanup event. I do believe that a tractor will be necessary to complete this project due to the amount and location of the debris.

When we get authorization to clean up this location up I will go talk to the Proving grounds management and see if they would be able to volunteer a tractor and operator to assist.

Please advise me when we have approval and funding to do this so that I may schedule this with the prison crew.

Respectfully,

Gary Sibbie
