**Location Map**

BLM claims no jurisdiction nor infers authority over routes which are not on federal land. Certain other lands may have been inventoried when connectivity with BLM routes was an issue. Any lawful landowner may control ingress or egress, across his/her lands as per State or local law. The presence of a route on this inventory does not imply legal access.

Inventoried routes on public land within the field office boundary are numbered on these maps.

The Bureau of Land Management makes no warranties, implied or expressed, with respect to information shown on these maps.
