

Lighthouse Hike and Open House

Wednesday, August 31st, the Piedras Blancas Light Station Association is sponsoring an open house lighthouse hike. Hikers can begin their visit at the south end of the California Coastal Trail located at the north parking lot of the elephant seal vista point in San Simeon, CA. The hike is 3 miles round trip from the parking area to the light station and is a self-directed walk through the Piedras Blancas Outstanding Natural Area

The Piedras Blancas Light Station will be open to walk in visitors between 10am and 2pm, and docents will be available to answer questions about the light station history and local ecology.

Please feel free to bring a sack lunch and enjoy the views.

Our gift shop will be open to all visitors.
Donations are happily accepted.

We love pets, but please, **no pets allowed** on the trail or at the light station.
No smoking.

For more information visit piedrasblancas.gov and piedrasblancas.org.
