

Request for YOUR Comments

The US Bureau of Land Management (BLM) is requesting comments on proposed actions for certain public lands that surround your community.

The BLM is proposing to renew a livestock grazing permit, allow construction of a fence and installation of a cattle guard, and to modify route use designations on the nearby Freedom Hill, Fay Canyon and Lynch Canyon grazing areas (See Map below).

Details of the proposed actions and alternative actions and how to submit comments can be found at: www.ca.blm.gov/bakersfield.

A hard copy of the proposed actions and alternative actions for review is located at the Kern River Valley Branch Library, 7054 Lake Isabella Blvd., Lake Isabella CA.

Questions about the decision process or requests for additional copies should be directed to Karen Doran, Rangeland Management Specialist, at (805) 237-8450 or kdoran@blm.gov.

Written comments must be received by BLM on or before December 18, 2015
