

Outline for Special Recreation Permit Subgroup of DAC

Mission:

- Identify operational issues in the application of required SRP procedures.
- Provide counsel and advice relative to current and/or proposed specific actions by BLM's internal SRP task group.
- Aid in accurately communicating SRP procedures to interested parties.

Expertise/interests needed and # of members:

- Event permittees and participants who are familiar with planning, permitting, and implementing SRP events; representatives from 4-wheel, dual sport, and equestrian interests; and public spectators; total of 7 members (with 1 from DAC).

Term for Subcommittee membership:

- 2 years (stagger: 3 one-year terms, 4 two-year terms).

Selection of members and election of officers:

- Fast track application and approval process (45 days); elect Chair and Vice Chair/Reporter

Meeting schedule:

- 4 to 6 meetings per year

Process for report to DAC:

- Subgroup Chairperson submits report to DAC Chairperson, DAC Chairperson distributes to DAC members (and BLM posts on DAC website for public) with 14-day comment period before forwarding report with any comments to BLM. [Note: the comment period does not preclude BLM field staff from taking interim action where information from the DAC subgroup or other sources indicates more immediate action is needed.]
