

## **OWEF ROD Errata**

Certain mistakes were discovered in the Ocotillo Wind Energy Facility Record of Decision, after it had been signed and published. These mistakes were minor and did not affect the approval of the Record of Decision. This errata identifies these mistakes and provides the appropriate corrections.

### ***Pg. 13***

...Placement of the substatio

#### ***Should have read:***

...Placement of the substation on alternate sites, alternate project phasing, and alternative energy generation technologies were all considered as part of the EIS/EIR process. *See* Sections 2.8.6 of the Final EIS/EIR.
