ASBESTOS ALERT!

The risk of exposure to airborne asbestos exists within the Serpentine ACEC year round. Visitors should take measures to reduce exposure to dust while in the area. Children are most at risk from exposure. Recommendations to reduce exposure include: avoid the area during dry or dusty conditions, avoid opening vehicle doors until visible dust has cleared, keep windows closed and ventilation on recirculate, wash vehicles before returning home, launder clothing separately, use HEPA vacuum to clean vehicle interior. Please think twice before bringing your child into the Serpentine ACEC. Use is limited to 5 permitted days per-person-per-year.

Rules and Regulations

- Vehicles only allowed on designated Scenic Touring Route Network. All other areas are closed to motorized access.
- The Scenic Touring Route is signed with brown, numbered fiberglass markers with blue square decals.
- Roads have two-way traffic. Reduce speed and use caution when approaching blind corners. Stay to the right, be alert and be prepared to yield the right of way at any time.
- No shooting is allowed within ¼ mile of Clear Creek road.
- No overnight use is allowed within the Serpentine ACEC.
- Do not cut live vegetation.
- Leave the area clean; "Pack it in-Pack it Out."
- Stay out of closed areas (posted and/or barricaded) – these are protected for riparian, wildlife, and watershed values.
- No commercial activities or organized events will be attended or allowed.
- All state and federal rules and regulations apply, including California Vehicle Code.
- Cooperate with BLM employees and law enforcement by showing this permit and identification when asked.

This permit must be signed and dated prior to its submission to the BLM.

Keep this permit on your person at all times while in the Serpentine ACEC

The Privacy Act and 43 CFR 2.48(d) require that you be furnished the following information in connection with the information requested by this form.

Authority: 43 U.S.C. 1201; 43 CFR Group 2930

Principal Purpose: BLM will use your information to determine whether or not to issue you a Special Recreation Permit. BLM will use some of the information to determine your qualifications for the permit and other information to determine the merits of your proposal.

Routine Uses: BLM will disclose the information in accordance with the regulations at 43 CFR 2.56(d).

Effect of Not Providing Information: Disclosing the information is necessary to receive a benefit. Not disclosing the information may result in BLM rejecting your application.

Paperwork Reduction Act: The Paperwork Reduction Act requires us to inform you that the BLM will use the information to determine whether or not to issue you a Special Recreation Permit. Response to this request is required to obtain the benefit of receiving a Special Recreation Permit.

You do not have to respond to this or any other Federal agency-sponsored information collection unless it displays a valid OMB control number.
