## **I. Estimated User Days:** \_\_\_\_\_

user days = (number of clients) X (number of days of a trip)

Examples: 10 people on a 3 day river trip = 30 user days  
3 hunters on a 5 day hunt = 15 user days

## **II. Pre-Season Fees:**

Discount Multiplier: (% of time spent on BLM public land)

100% - 61% use **1.00**  
60% - 6% use **0.60**  
5% - 1% use **0.20**

\_\_\_\_\_ X \_\_\_\_\_ X .03 = \_\_\_\_\_  
estimated gross receipts discount multiplier estimated fees due to BLM

- If the amount of the estimated fees due to the BLM is less than \$500, pay that amount.
- If the amount of the estimated fees due to the BLM is more than \$500, pay 1/2 that amount.
- An \$105 minimum fee is required. If the amount due to the BLM is less than \$105, pay \$105.

## **III. Requested changes to operating plan:**

Please note any changes the operating plan we have on file at our office. These changes must be approved before use begins.

I agree to the terms, conditions and stipulations associated with my permit on file at the Grand Junction Field Office.
