- Single Track Motorized
- Single Track Mechanized
- Single Track (foot/horse)

0 0.2 0.4 Miles

Dispersed recreational and target shooting in a portion of the Hartman Rocks Recreation Area is CLOSED. The closure area is bounded on the west by portions of BLM Roads 3500, 3555, 3560, and 3565. The southern boundary is the remaining portion of Powerline Road 3550 to Gold Basin Road (Gunnison County Road 38). All public lands north and east of the aforementioned roads within Hartman Rocks Recreation Area will be closed to recreational and target shooting. Legal and lawful hunting continues to be allowed throughout all of the Hartman Rocks area.

Shooting enthusiasts can continue to enjoy recreational and target shooting behind the small parking area located east of the Terrain Park near the McCabe's Lane entrance to Hartman Rocks. The parking area is on the southwest side of BLM Road 3500. This popular dispersed shooting area is near the old dispersed target shooting area (approximately 0.2 mile away), offers similar shooting opportunities, and is situated outside the recreational and target shooting closure area.

Please call the BLM Gunnison Field Office with any questions regarding the closure at (970) 642-4940.

For other developed shooting opportunities in the Gunnison area go to www.gunnisonsportsmens.com or send an email to info@gunnisonsportsmens.com.
