0 2 4 Miles

This map is intended for use by the general public, special interest groups, BLM, and Forest Service Personnel for the purpose of displaying Gunnison Travel Management FEIS Alternatives on National Forest and BLM Lands.

This map series is projected in the UTM coordinate system Zone 13 using the North American Datum of 1983

N

Routes on Mt.Crested Butte are covered by the permitting process

Collegiate Peaks Wilderness

Fossil Ridge Wilderness

Blue Mesa Reservoir

Crested Butte

Almont

Gunnison

Pitkin

Ohio City

Tincup

Please Note:

This map was produced to assist in the planning effort for the Gunnison Travel FEIS. It is not intended to be used for navigation. Due to mapscale, all route numbers are not displayed and some routes may be difficult to distinguish. Please reference Appendix A and Appendix B for a complete list of Roads and Trails with their proposed vehicle class according to alternative.

SEASONAL CLOSURES
Numerous seasonal restrictions are already in place. Existing and proposed restrictions can be found in Appendix C.

ATTENTION
This product is reproduced from geospatial information prepared by the U.S. Department of Agriculture, Forest Service. GIS data and product accuracy may vary. They may be: developed from sources of differing accuracy, accurate only at certain scales, based on modeling or interpretation, incomplete while being created or revised, etc. Using GIS products for purposes other than those for which they were created, may yield inaccurate or misleading results. The Forest Service reserves the right to correct, update, modify, or replace, GIS products based on new inventories, new or revised information, and if necessary in conjunction with other federal, state or local public agencies or the public in general as required by policy or regulation. Previous recipients of the products may not be notified unless required by policy or regulation. For more information, contact the GMUG Supervisors Office at 970-874-6600.
