

# BLM accepting comments for new permits and permit renewals

KREMMLING — The Bureau of Land Management's Kremmling Field Office is seeking public comment about 21 commercial Special Recreation Permit new and renewal applications for the Upper Colorado River corridor and uplands within Grand, Summit, Eagle, and Jackson County.

BLM issues commercial SRPs to provide recreation businesses the opportunity to operate on BLM lands, to implement recreation management decisions and to ensure a fair return to the public for commercial use of public lands.

BLM is seeking public comment regarding each applicant's safety history, conflicts that have been associated with the applicants or their employees while operating on public lands, or any other information that would be useful to the agency as it considers the applications.

To provide comment on the applications, contact Teri Parvin at the Kremmling Field Office at [tparvin@blm.gov](mailto:tparvin@blm.gov).
