

Saturday, August 15, 2009

The Bureau of Land Management, Little Snake Field Office will be hosting a GPS/Geocaching Tutorial, campground expansion, and *Take It Outside* event as part of the 16th Annual National Public Lands Day on August 15, 2009. Volunteers should meet at the Little Snake Field Office at 8:30 a.m. sharp.

The event will start off with a brief introduction to map reading, operation of GPS units, and what Geocaching is all about. At the Duffy Mountain River Access site volunteers will help develop a group campground and group fire ring area.

After the work day, volunteers will be treated to:

- Free BBQ
- Free raffle
- Free T-Shirt
- Free “Fee-Free Day Pass” for participating public lands
- Free Concert
- *Stay the Trail* Trailer
- Solar Panel Ice Cream contraption

There will also be a tour of the Geology hiking trail, a geocache search, and a stop at the Juniper Hot Springs, so bring your bathing suits.

The festivities will continue into the night. Spend a fun-filled night camping under the stars and by the river, as we gather around the campfire for an animal talk, weenie roast, ghost stories, marshmallows, and star talk. Be sure to bring your camping equipment and fishing poles.

We are still in the planning stages, but hope to have more fun activities for our volunteers as we get closer to August, so mark your calendars! It is highly recommended that you RSVP so that we can get an accurate account for the amount of supplies and goodies we will need.

Please contact Gina Robison, Outdoor Recreation Planner at 970-826-5083 or send her an email at gina_robison@blm.gov with any questions or to RSVP.
