

The Bureau of Land Management, Little Snake Field Office is co-sponsoring the 2nd Annual Spring Fever Fun Day event in the Sand Wash Basin with the Yampa Valley OHV Trailriders and *Stay the Trail* Colorado on Saturday May 16, 2015. Registration begins at 8:00 a.m. at BLM's corral facility on County Road 67. All are welcome to participate in this fun and educational ride.

For participants that camp Saturday, there will be a hotdog and marshmallow roast. Saturday's event includes exploring Sand Wash, raffle, free sound testing, and other activities.

This fun and educational event is open to ATVs and 4x4 high-clearance vehicles and is a great opportunity to experience some of the rarely explored features the area has to offer. Please contact Gina Robison at (970) 826-5083 or email grobison@blm.gov to pre-register.
