CENTER OF CRAIG

Stop by anytime!

Provide your thoughts on
the future of travel and
recreational opportunities
on your public lands in
Northwest Colorado.

Next Week, Don't Forget!

The public has provided important input on creating a great travel system for multiple use, and has shared issues for consideration in planning future travel and recreation opportunities. Now join us to review the preliminary alternatives.

An open house is being held to discuss:

- Route designation review for each alternative
- Adequacy of the preliminary alternatives and any further issues that need to be addressed
- How each alternative addresses the planning issues
- Management direction given by each alternative
- How management direction varies across alternatives

A 30-day public comment period will follow the open house. If you cannot attend, we still need your input. Meeting materials and comment opportunities will be available online after the meeting at: http://www.blm.gov/co/st/en/fo/lsofo/plans/travel_transportation/unit_1.html

Written comments may also be submitted online, mailed to Outdoor Recreation Planner, Little Snake Field Office, 455 Emerson Street, Craig, CO 81625 or emailed to lsofoweb@blm.gov.

**Comments must be received by
