The Seep Springs Designated Road and Trail System – Motorized travel in this area is limited to **designated** roads and trails identified for off-highway vehicle (OHV) travel. Only the routes displayed on the reverse side of this map sheet in **blue** and **brown** are open to motorized travel with off-highway vehicles.

Look for signs like these showing the types of uses permitted on each route.

Be a Responsible User of Your Public Lands

- **Limit your use** to designated roads and trails identified for off-highway vehicle travel.
- **Do not create** new roads or trails by riding off designated routes.
- **Prevent soil erosion** by protecting vegetation and soils from damage.
- **Park** at existing parking areas and pull-offs.
- **Register** your off-highway vehicle – it is Colorado law! (Available at all State Park Offices and at many recreation vehicle dealerships.)
- **Avoid** motorized travel when conditions are wet to prevent damage to roads and trails. The Seep Springs area is **CLOSED** to motorized travel during wet road conditions. Call (719) 269-8500 for current road information.

* **Map Information** – The Seep Springs Roads and Trails Map shows routes designated for OHV travel as of January 1, 2006. **Changes** in the available routes will occur over the next few years as pending land exchanges take place and new trails are constructed. Revised editions of the map will be available as changes occur. **Please check with BLM to ensure that you have the latest version of the map.** Current maps may be obtained by contacting BLM at the address and phone number listed above or at www.blm.gov/co/st/en/BLM_Programs/recreation/atvreg.html.
