Canon City---The Front Range Resource Advisory Council for the Bureau of Land Management will meet March 25, 2008 in Canon City.

The meeting will be from 9:15 a.m. to 4 p.m. to discuss several land management topics including: BLM grazing permit renewals, travel management planning and an update on the South Park Land Tenure Adjustment Plan. The public is welcome to address the Council at 9:30 a.m. with any comments, concerns, issues or questions.

The 15 member Council, all local residents, represent a diversity of public land interests and users. They advise BLM Managers and provide recommendations on land management programs and issues.

The meeting will be at the BLM Royal Gorge Field Office, 3028 E. Highway 50, in Canon City. The public is welcome to attend. Anyone needing further information can call Linda McGlothlen at the BLM office at (719) 269-8522.
