Canon City---The Front Range Resource Advisory Council for the Bureau of Land Management will meet May 20-21, 2008 in Saguache, Colorado.

The meeting will be from 1:00 p.m. to 5:00 p.m. on May 20, 2008 and from 8:00 a.m. to 2:30 p.m. on May 21, 2008. On the first day the meeting will discuss several land management topics including: oil and gas in the San Luis Valley, alternative energy development, and an update on the South Park Land Tenure Adjustment Plan. On the second day, May 21, 2008, field trips are planned to Penitente Canyon Special Recreation Area, Baca Wildlife Refuge and the Anderson Ditch Exchange parcels. The public is welcome to address the Council at 1:45 p.m. on May 20, 2008 with any comments, concerns, issues or questions.

The 15 member Council, all local residents, represent a diversity of public land interests and users. They advise BLM Managers and provide recommendations on land management programs and issues.

The meeting will be held at the St. Agnes Catholic Church Meeting Hall, Highway 285 and 5th Street, in Saguache, Colorado. The public is welcome to attend. Anyone needing further information can call John Dow at (719) 269-8559.
