

FINDING OF NO SIGNIFICANT IMPACT (FONSI)

ENVIRONMENTAL ASSESSMENT (EA) # CO-200-2005-0025 EA
*South Park Land Tenure Adjustment Environmental Assessment
and Royal Gorge Resource Management Plan (RMP) Amendment*

This unsigned FONSI and the attached EA CO-200-2005-0025 for the South Park Land Tenure Adjustment Environmental Assessment/Royal Gorge Resource Management Plan Amendment are available for public review and comment for 30 days beginning on February 27, 2008.

Based on the analysis of potential environmental impacts in the attached EA and consideration of the significance criteria in 40 CFR 1508.27, I have determined that with required and proposed mitigating measures the proposed action would not result in significant impacts on the human environment. An environmental impact statement (EIS) is not required.

Note: The decision to approve or deny the proposed action, and a signed FONSI with rationale, will be released after consideration of public comments and completion of the EA.
