Input Sought for Geothermal Leasing Analysis

MONTE VISTA – The San Luis Valley Public Lands Center (SLV-PLC) is seeking input to guide an analysis which will re-evaluate existing geothermal leasing allocation, identify which lands to make available for leasing, and under what conditions. The analysis is expected to form the basis to amend the Bureau of Land Management's San Luis Resource Area Resource Management Plan.

Two public meetings will be held to provide information and seek input concerning the analysis. Meetings will be held as follows:

Wednesday July 7th, Saguache Community Center, 525 7th St, Saguache, CO

Thursday July 8th, Room 130, Porter Hall, Adams State College, (2nd building north of Main Street, parking lot out front), 208 Edgemont Boulevard, Alamosa, CO

The meetings will start with an open house format from 6:30 p.m., with a presentation at 7 p.m., a question and answer period at 7:30 p.m., and followed by a continued open house until 9 p.m. Information regarding the project will be posted as it becomes available on the SLV-PLC website at www.blm.gov/co/st/en/fo/slvplc.html, or please contact Joseph Vieira at the SLV-PLC at 719-852-6213 for more information.
