BLM invites public to solar energy zone field trips and workshops

MONTE VISTA, Colo. – The Bureau of Land Management San Luis Valley Field Office is hosting a series of field trips and open houses to get your input on solar energy on public lands.

Through community outreach, the BLM hopes to inform the public about the planning process to develop solar energy on public lands while obtaining public input on what and how mitigation should be addressed.

The meeting schedule is as follows:

Monday, Sept. 8: De Tilla Gulch SEZ

- Saguache County Road and Bridge Bldg, 305 3rd St., Saguache, CO 81149
3 PM: assemble for field visit; 4 – 6:30 PM: local workshop

Tuesday, Sept. 9, Antonito Southeast SEZ

- Our Lady of Guadalupe Church, 305 W. 8th Ave., Antonito, CO 81120
9 AM: assemble for field visit; 4 – 6:30 PM: local workshop

Wednesday, Sept. 10: All-Day Landscape Assessment/Solar Regional Mitigation Workshop for Three Colorado Solar Energy Zones.

- Adams State University (Student Union Rm 309), First St. and Monterey Ave., Alamosa, CO 81102
8:30 AM: Registration

Thursday, Sept. 11, Los Mogotes East SEZ

- Romeo Town Hall, 149 2nd Ave., Romeo, CO 81148
9 AM: assemble for field visit; 4 – 6:30 PM: local workshop

If you are planning to attend any of these field visits or workshops, please email your RSVP to solarmitigation@blm.gov. Please specify which events you plan to attend.
