

COMMENTING ON WILD AND SCENIC RIVER SUITABILITY

Thank you for your interest in providing comments regarding Wild and Scenic River suitability for the BLM Uncompahgre planning effort.

COMPLETING THE RIVER SEGMENT COMMENT FORM

Comments may be typed or handwritten. Please use the segment comment form available at: www.blm.gov/co/st/en/fo/ufo/wild_and_scenic_river.html

Submit written comments by August 16, 2010:

- Email completed forms to: UFORMP@BLM.GOV
- Or mail completed forms to: BLM UFO, Attention: RMP Revision, 2465 South Townsend Avenue, Montrose, Colorado 81401

If using the Word version, print the form for mailing or save it as a new document in your local directory before completing.

If using the Adobe Pdf form, print the form for mailing.

For all forms, please:

- Print your name and phone number or email address on each page you complete.
- Address only those eligible river segments about which you have specific knowledge or concerns.
- For each segment, address only those Wild and Scenic suitability criteria about which you have specific knowledge or concerns.
- Be factual and as specific as possible regarding issues, locations, dates, and times.

PROVIDING EFFECTIVE COMMENTS

Substantive comments do one or more of the following:

- Raise issues the BLM has not considered and reinforce issues the BLM has already identified
- Present reasonable alternatives
- Present information that can be used when developing alternatives or considering the impacts of alternatives

TYPES OF COMMENTS TO AVOID

Comments that are not substantive include:

- Comments in favor of or against an action without providing a rationale (such as “I don’t like...”).
- Comments that simply agree or disagree with BLM policy.
- Comments without justification or supporting data (such as “allow more grazing”).
- Comments in the form of vague, open-ended questions.

TABLE OF CONTENTS

Completing the River Segment Comment Form

Providing Effective Comments

Types of Comments to Avoid

1 - Cottonwood Creek WSR Suitability

2 - Dry Fork Escalante Creek, Segment 2 WSR Suitability

3 - Escalante Creek, Segment 1 WSR Suitability

4 - Escalante Creek, Segment 2 WSR Suitability

5 - Gunnison River, Segment 2 WSR Suitability

6 - Gunnison River, Segment 3 WSR Suitability

7 - Monitor Creek WSR Suitability

8 - Potter Creek WSR Suitability

9 - Rose Creek WSR Suitability

10 - Roubideau Creek, Segment 1 WSR Suitability

11 - Roubideau Creek, Segment 2 WSR Suitability

12 - Deep Creek WSR Suitability

13 - West Fork Terror Creek WSR Suitability

14 - Beaver Creek WSR Suitability

15 - Dry Creek WSR Suitability

16 - Naturita Creek WSR Suitability

17 - Saltado Creek WSR Suitability

18 - San Miguel River, Segment 1 WSR Suitability

19 - San Miguel River, Segment 2 WSR Suitability
Comments

20 - San Miguel River, Segment 3 WSR Suitability

21 - San Miguel River, Segment 5 WSR Suitability

22 - San Miguel River, Segment 6 WSR Suitability

23 - Tabeguache Creek, Segment 1 WSR Suitability

24 - Tabeguache Creek, Segment 2 WSR Suitability

25 - Lower Dolores River WSR Suitability

26 - North Fork Mesa Creek WSR Suitability

27 - Dolores River, Segment 2 WSR Suitability

28 - Ice Lake Creek, Segment 2 WSR Suitability

29 - La Sal Creek, Segment 1 WSR Suitability

30 - La Sal Creek, Segment 2 WSR Suitability

31 - La Sal Creek, Segment 3 WSR Suitability

32 - Lion Creek, Segment 2 WSR Suitability

33 - Spring Creek WSR Suitability

*34 - Dolores River, Segment 1 WSR Suitability

**35 - Big Dominguez Creek, Segment 1 WSR Suitability

**36 - Big Dominguez Creek, Segment 2 WSR Suitability

**37 - Little Dominguez Creek, Segment 1 WSR Suitability

**38 - Little Dominguez Creek, Segment 2 WSR Suitability

**39 - Gunnison River, Segment 1 WSR Suitability

*Evaluated for eligibility by the San Juan Public Lands Center

**Evaluated for eligibility by the Grand Junction Field Office

I - COTTONWOOD CREEK WSR SUITABILITY COMMENTS

Preliminary Classification: Recreational

ORVs: Vegetation

Your Name: _____ Telephone: _____

Address: _____ E-mail: _____

Please address only the characteristics (below) regarding this segment about which you have specific knowledge, concerns, or comments.

GENERAL

1. Characteristics which might or might not qualify this segment for WSR designation, including this segment's contribution to the integrity of a river system or basin.

2. Known federal, state, regional, tribal, local, or other public interests in designation or non-designation.

3. Outstandingly remarkable values (ORVs) that could be affected by designation or non-designation.

LAND OWNERSHIP AND USES

4. Status of land and mineral ownership for this segment and the associated river corridor, including historical or existing rights that could be adversely affected by designation or lack of designation.

5. Compatibility or incompatibility of designation with current land and water uses and development.

6. Reasonably foreseeable potential land and water development and uses that could be affected by designation.

ADMINISTRATION

7. Ability to manage and protect this segment as a WSR, including any existing and potential mechanisms for protecting this segment's ORVs other than WSR designation.

8. Consistency of designation with other BLM plans, programs, and policies and regional objectives.

9. Issues that might make administering this segment difficult.

10. Adequacy of local zoning and other land use controls and ability of state/local government to manage and protect this segment's ORVs on nonfederal lands.

ADDITIONAL COMMENTS REGARDING JURISDICTION AND MANAGEABILITY

LAND OWNERSHIP AND USES

4. Status of land and mineral ownership for this segment and the associated river corridor, including historical or existing rights that could be adversely affected by designation or lack of designation.

5. Compatibility or incompatibility of designation with current land and water uses and development.

6. Reasonably foreseeable potential land and water development and uses that could be affected by designation.

ADMINISTRATION

7. Ability to manage and protect this segment as a WSR, including any existing and potential mechanisms for protecting this segment's ORVs other than WSR designation.

8. Consistency of designation with other BLM plans, programs, and policies and regional objectives.

9. Issues that might make administering this segment difficult.

10. Adequacy of local zoning and other land use controls and ability of state/local government to manage and protect this segment's ORVs on nonfederal lands.
