Subject: State Transportation System Memorandum of Understanding

Attached is a copy of the recently revised Memorandum of Understanding (MOU) related to activities affecting the state transportation system and public lands in the State of Colorado. The MOU was jointly developed with the Colorado Department of Transportation, the Federal Highway Administration - Colorado Division, the USDA Forest Service - Rocky Mountain Region, and the Colorado BLM.

I would like to thank everyone who provided suggestions for improving this MOU as requested in IB No. CO-96-089. Please ensure that copies of this MOU are provided to those members of your staff involved with lands and transportation system activities. If you have any questions or comments regarding this MOU, please call Stuart Cox at 303-239-3805.

Signed by  
Brian Bernard  
Deputy State Director,  
Support Services
