Instruction Memorandum No. CO-2002-051
Expires: 9/30/2002

To: All Colorado Employees
From: State Director
Subject: New Organization Structure

The attached Colorado State Office organizational structure will be effective October 1, 2002, with the beginning of the new fiscal year. As I mentioned in my recent electronic mail, the reporting relationships for the State Office employees will change when the new Deputy State Directors report for duty.

The organizational code changes for the Western Slope Center and San Juan Public Lands Center are required to bring the organizational codes in line with Bureau's new standard for formatting organizational information.

Employees being reassigned to different organizational codes will be officially notified by a personnel action.

If you have any questions regarding this IM, please contact your supervisor or your servicing Human Resources Specialist.
